

STATEMENT OF UNITY ON GRAND RIVER AKA HALDIMAND TRACT ISSUED MAY 08, 2021

Grand Back, (officially Grand River United Front) is a collective of concerned Grand River residents, from Haudenosaunee supporters and land defenders to the many brave-hearted people of Brantford and beyond that have been fiercely resisting the almost total devastation of our Haldimand Tract heartlands.

To name a few desecrated lands Arrowdale, Oak Park Road Expansion, Shellards lane to the occupied lands in Paris, Caledonia, Cambridge, Waterloo and on and on. Our show of unity is a direct action to let all Developers and the City of Brantford et al. know that our home is not for sale! Our treaty rights are not for sale!

The Development Moratorium put in place by the Haudenosaunee Confederacy Council on the Haldimand Tract, a land promised to the Mohawk and Such others of the Six Nations allows for time to resolve ongoing land rights issues, this time is integral for establishing a meaningful understanding of the underlying problems with rampant development.

The ceaseless encroachments into these promised lands is enough. The Grand River United Front will build partnerships with our allies at large to end forced dispossession and to restore the Haldimand Tract.

Honor the Moratorium, Restore the Haldimand Tract!
